

Slade Gardens Adventure Playground

Registration Form

Slade Gardens is an open access play facility for children aged between **6-16 years**. **We are not a childcare facility.** The adventure playground is a place where children come to experience risk and challenge through their play. The playground staff team are all experienced to ensure that the play that children engage in here will be as 'safe' as it possibly can. **Occasionally we may take photographs of the children whilst they are playing on structures for publicity purposes, please inform a member of staff if you do not wish for your child to be included in any photographs.** The following information will remain confidential but will be used for monitoring services.
